More than fifty years later, the ALPG handles as many as 3,000 calls every day—offering hope and strength to people in trouble. And people call in daily to share how those very prayers have been miraculously answered. **Current expenditures: \$1,100,000**

- Hunger Needs A Voice® (HNAV)**—Our humanitarian outreach partners with various organizations to bring food, vitamins, and other donated items to people in need. Jenifer from Guatemala was nine years old and dying of leukemia in 1991. Her doctor did not expect her to survive. Jenifer came to a crusade meeting with Richard and Lindsay Roberts in Guatemala City, where Richard laid hands on her and prayed. The next day, her doctor examined her and did tests, which showed the leukemia was gone. Today, Jenifer is a dentist, helping others in her poverty-stricken community. She joined the Oral Roberts Ministries team to assist with the April 2011 Guatemala crusade’s medical clinics.

Bob from Chicago was dying of liver disease and lung cancer. His wife, who is a partner with Richard Roberts, insisted that he go to the Oral Roberts Ministries studios in Tulsa to receive prayer from Richard. When Bob returned to his doctor for new tests, he received amazing news. The cancer is gone, and his liver is so improved that he no longer needs a transplant.

God knows the divine opportunities and doors that will open up for us in 2012.

Gerri from Kenya suffered with AIDS for years. As her condition deteriorated, she developed lesions and grew too weak to care for her children. While visiting Kenya in 2009 to plan the 2010 outreach to Nairobi, Richard Roberts prayed for Gerri. After her symptoms improved, Gerri had new medical tests which proved she is healed of AIDS. She testified of how God healed her at the 2010 Nairobi crusade.

Jim from Tulsa went to his doctor with symptoms that turned out to be lung cancer. The lump in his left lung was significant, and it looked like he would need to have his lung removed. But his wife, Peggy, convinced him to go to Richard Roberts for prayer. Richard laid hands on Jim and prayed. When Jim returned to his doctor for blood work, X-rays, and a CT scan, everything came back normal. The cancer was gone. And Jim became a Christian as a result of his healing.
