

*A Point-of-Contact can help you release
your faith for the miracle you need NOW!*

*God
desires you
to be whole in
every area*

Dear John and Mary,

Recently, a man came to my home to do some repairs. As we talked, he told me that he was in terrible pain from a car accident he had been in. When I heard about his need, I immediately wanted to pray for him. I laid my hands on his back and believed God for a miracle. The man agreed in prayer with me and released his faith to God for healing. Instantly, the pain left him and we rejoiced together! And because God is no respecter of persons, I know **He wants to pour out miracles into your life**, just as he did for this man who was healed of pain.

Since my father went home to be with the Lord, the double anointing that I have desired from the Lord has come upon me...especially when I lay hands on people and pray for them. Amazing things have been happening as I have stepped out in faith to pray for those in need. And because you are a partner with me in this healing ministry, **I want you to share in the miracles that God is doing.**

Recently, God has been telling me to lay my hands on people more frequently as a POINT OF CONTACT to help them believe for their miracle. I'm excited about what He has told me to do because I love to see people healed in every area of their lives—physically, financially, emotionally, spiritually, on the job, and in their relationships... **I believe wholeness in every area is what God desires for you.** Jesus laid His hands upon countless individuals who were sick physically, mentally, and emotionally... He had compassion for them, and He healed everyone who came to Him (Acts 10:38). That's the loving God we serve!

Jesus also said that those who believe on His Name are to lay hands on the sick, and when we do so in faith, the sick will recover (Mark 16:18). He was talking to everyone who believes on Him—that's you and me! Because I know God wants to heal people, I am always willing to lay my hands on the sick and pray for them.

But the truth is, I'm just a man. I'm not the healer, God is. I can't lay hands on every person who needs healing, and they can't all come to me. It isn't physically possible. But Jesus said in Luke 18:27, "*The things which are impossible with men are possible with God.*" What I can't do, God can! He is able to touch you with His healing power, whether or not I ever lay my hands on you personally. How can He do that? Simple. **He reaches you with His power when you release your faith to Him through a POINT OF CONTACT.**

When I talk about using a point of contact, I simply mean that you DO something—you take a specific ACTION and MAKE A MOVE toward God. Having a point of contact helps

(over)

you TAKE ACTION to release your faith. If you're wondering if you have the faith you need to believe for a miracle, let me assure you that you do. As long as you are a blood-bought child of God, YOU HAVE THE FAITH YOU NEED TO TRUST GOD FOR MIRACLES. How do I know that? I know it because Romans 12:3 says, *God has dealt to each one a measure of faith.* As a child of God, you already have faith, because He has already given it to you.

Don't be deceived into thinking you don't have enough faith to receive what you desire from the Lord. That's simply not true. He already gave you the measure of faith you need to live victoriously...even in the midst of financial hardships, family troubles, or bad news from your doctor. The Lord didn't give you faith so it could lie dormant in your heart. He gave it to you so you could use it to tap into His power. You have the faith you need, but you have to do something with it. **You have to ACT on your faith.**

That's why a point of contact is so effective... **It helps you set the time to ACT on your faith in God.** A point of contact can be a prayer, the laying on of hands, a prayer cloth, anointing oil... anything that moves you beyond the place of knowing in your head that God does miracles, and into the place where you say in your heart, *"I KNOW God is good. I KNOW He has provided for my needs through the shed blood of Jesus Christ. I BELIEVE RIGHT NOW that God is bringing about the best way to meet my need. I KNOW He is working on my behalf, and I EXPECT to see my miracle any day now. I just KNOW it's coming, and I'm so thankful in advance for what I KNOW God is doing for me."* I encourage you to stop right now and repeat these words out loud, because they are powerful! When faith speaks, that's what it sounds like!

Using the laying on of hands as a point of contact is a scriptural method to release your faith for healing and other miracles. According to Acts 19:11, God worked extraordinary miracles through the hands of Paul. The Lord also worked miracles through the hands of the other disciples, and He can do so through you and me, because we're His children. Now, it's important to know that there was nothing special or magical about the hands of Paul and the other disciples. These men simply stepped out in faith to lay hands on the sick, as JESUS instructed them to do in Mark 16:18. The hands of Paul, Peter, John, and the other disciples became an extension of the hands of Jesus—a point of contact.

Oftentimes, I put up my hands as the television cameras are broadcasting *The Place for Miracles*, and I say, "If you have a need, place your hands against my hands as I pray for you." **I do that so you will have a point of contact** to release your faith to God for your needs to be met. Viewers often share their testimonies of what the Lord did for them when they ACTED on their faith and reached out their hands toward mine as a point of contact.

Let me share a praise report from one of our partners who RECEIVED her MIRACLE when she used my hands and my prayer as a point of contact to release her faith to God to meet her need. Carol from Pennsylvania had been having constant shoulder pain. She said, *"I was watching your television program the other night when you gave a very specific word of knowledge about shoulder pain being healed. As a point of contact, I put my hands on your hands as you prayed. Suddenly I could move my shoulder, and now I have NO MORE PAIN."*

When I said that God was healing people with shoulder pain, Carol responded. She said to herself, "That's me." She believed God was making a move to heal her. And then she ACTED. She touched her television screen where my hands appeared as her point of contact. She made a decision at that moment to believe God for her healing. And she received it. **Her faith came back to her in the form of an answered prayer—A MIRACLE!**

I know that my hands cannot heal anyone. Only God can do that. But my hands are an extension of Jesus' hands, so they can become a point of contact for you to release your faith for healing. Viewers often tell me they can feel the anointing when I put up my hands to pray for healing and other miracles. I believe that's because the Lord is honoring what He Himself said in Matthew 18:19–20: *“If two of you shall agree on earth as touching any thing that they shall ask, it shall be done for them of my Father which is in heaven. For where two or three are gathered together in my name, there am I in the midst of them.”*

Partner, when you and I agree for a miracle, Jesus is present with us. It is HIS POWER that brings the miracle to pass. I'm always willing to join my faith with yours to believe God for your needs to be met. But I can't do it alone. Your faith must be involved too. YOUR FAITH is the key to receiving what you need from God. A point of contact simply helps you release YOUR FAITH. When you and I agree together in prayer and you release your faith to God through a point of contact, I believe it opens a door for God to do miracles in your life.

I have prayed about how to help you receive miracles, and the Lord has given me two ideas that I believe will help you ACT on your faith in God to meet your needs. The first thing He has put in my heart is a plan to hold **monthly Miracle Healing Services at our ministry headquarters in Tulsa, starting June 4**. These meetings will be similar to the Healing Rallies that I conduct when I travel overseas, and I'm excited about what I believe God will do right here in Tulsa, Oklahoma, when we come together in faith and give Him an opportunity to work in our lives.

I'm expecting that you will experience miracles like the one that Bob from Illinois recently shared with me. He had been diagnosed with liver failure and spent three weeks in intensive care. Just as his doctors were ready to add his name to the transplant list, a test revealed that Bob had lung cancer. He was disqualified from going on the transplant list, and instead had to undergo radiation. **He needed two miracles**—a healing from cancer and a healing for his liver.

A few months into his radiation treatments, Bob came to Tulsa to have me lay hands on him and believe God with him for the miracles he needed to save his life. I was glad to join my faith with Bob's faith. I laid my hands on him and prayed, and he returned home. He then went to his doctor for further testing. The results revealed not only that the lung cancer was gone, but his liver was normal too. **He no longer needed a transplant. He got his life handed back to him!**

Bob had faith that God was going to do something when my hands were laid on him. And that's the kind of faith that I want people to ACT on when they come to the **monthly Miracle Healing Services** in Tulsa. I invite you to make plans to attend if you can. And please share this news with any of your family and friends who are living in the Tulsa area. **What God has done for Bob, He can do for you and your loved ones.**

During the Miracle Healing Services, I will be sharing God's Word, laying hands on people, and praying with them for miracles. If you have a need—physical, emotional, financial or spiritual—you will want to join us for one of these monthly services. And if you can't get here, I have a way to reach you in your own home. I will be broadcasting these Miracle Healing Services live on the Internet, so if you have a computer, you can go online and participate. I am expecting miracles to happen and lives to be changed during these meetings. For more information and a schedule of my Miracle Healing Services, go online to **www.oralroberts.com**.

The second thing the Lord has put on my heart is that **I want to send you a special resource to help you release your faith**—a photograph of my hands that you can use as a point of contact anytime you pray. Now, this photograph has no special power in it. My hands don't either. It is

(over)

the Lord's anointing that breaks the yoke of bondage (Isaiah 10:27; Isaiah 58:6; Galatians 5:1). But we can pray and agree that the anointing will be released into your life. So, I have prayed and laid hands on this photograph, believing that the Lord will meet your needs as you release your faith to Him. Let my hands be an extension of His hands, and use this photograph as a point of contact to release your faith whenever you need to see His power change your circumstances.

I also want to remind you of **another powerful point of contact** that you can use to ACT on your faith in God to meet your needs—and that is **SOWING YOUR SEED**. Whatever you need today...whether it's healing in your body, a turnaround in your finances, a new job, a place to live, restored relationships, or any other need you may have...God wants to meet that need according to His Word and bring you to a place of greater freedom so that you can share His blessings with the people around you. He has great plans for you (Jeremiah 29:11)! And **as you sow a seed this month as an ACT of your faith, expect your miracle to come your way.**

Since beginning my nightly television program *The Place for Miracles* in 1997, this healing ministry has received more than 125,000 testimonies of miracles, and the numbers grow every day. We're bringing the Gospel, medicine, and food to people around the world. And we are always here for you—day or night, 24 hours a day, 7 days a week—through the prayer partners in the Abundant Life Prayer Group. **This is GOOD SOIL to sow your seed into.** When you sow your seed-faith gift unto the Lord through the Oral Roberts Ministries, be sure to use the enclosed prayer sheet to let me know what you are believing God to do in your life. I want to stand with you in prayer and agree with you for your needs to be met.

Send in your seed-faith gift and your prayer sheet today, and let me know if you would like to receive the photograph of my hands that I am offering to all my partners, and I'll send it to you.

I can't wait to hear from you! Let me know what the Lord is doing in your life, and let me know what you are believing God to do for you this year. I pray that He pours out a shower of blessings on you—good measure, pressed down, shaken together, and running over, according to Luke 6:38.

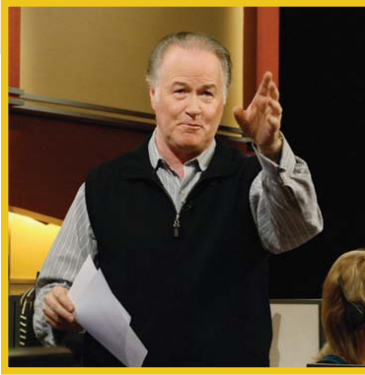

Your partner for miracles,
