

NOW IS THE TIME...

to step boldly into the miracle flow that God has for you in 2010...

IT'S TIME TO RE-DIG THE WELLS!

Get ready
to take some
ACTION!

In the past few weeks, my family and I have received thousands of letters, emails, and telephone calls offering condolences upon the loss of my father, Oral Roberts. These expressions of love have been supernatural in their encouragement to us, and we're grateful for it. I will miss my father very much, but I also know that he is in heaven, and I thank God for that.

Although this has been a season of personal loss, **God is comforting me and strengthening me.** He reminded me of what He said to Joshua after the death of Moses—"Arise and go into the land that I have given you. I will be with you, just as I was with Moses" (Joshua 1:1-9). God has shown me that **He is doing something very special in 2010.** He has something supernatural and life-changing for you, me, and this ministry, and I can't wait to see it all come to pass!

So I want you to do what I'm doing right now...I want you to arise...Stand up in your inner man, and **raise your expectations** for what God is going to do for you in 2010. Lift up your eyes from your circumstances and look up to God, the Source of your help! Look at the heights to which God can take you... and join me in believing God that **this is going to be one of the greatest years for miracles that you have ever seen!**

Get ready to take some action—because the supernatural work that I believe God wants to do in 2010 is not going to happen for those who sit back and do nothing. Farmers know that if they want to see a harvest, they need to sow seed. The same is true for Christians. If you want a great harvest of miracles, you need to give God something to work with. It's going to require some "deep digging"... so take a step of faith, get out your spiritual shovel, and **START EXPECTING** the miracle-working power of God to show up in your life.

Let me explain what I mean by "digging." When God showed me a glimpse of His plans for this year, He gave me a Scripture to stand on, and I want to share with you what God told me. Genesis 26:15-18 says, "*Now the Philistines had stopped up all the wells which [Isaac's] father's servants had dug...and they had filled them with earth... And Isaac **DUG AGAIN** the wells of water which they had dug in the days of Abraham... He called them by the names which his father had called them.*"

When Abraham, the father of our faith, settled in the land of Canaan, he dug wells to support his household. Those wells brought forth water, an important resource in the dry desert region (Over)

where he lived... They provided a source of life for Abraham, his family, his servants, and his herds, and they were a source of refreshing for those who were thirsty and tired.

In the Bible, wells represent salvation and **all the benefits** we receive as a result of receiving Jesus into our hearts. “*With joy you will draw water from the wells of salvation*” (Isaiah 12:3). “*Whoever drinks the water I give him will never thirst. Indeed, the water I give him will become in him a spring of water welling up to eternal life*” (John 4:14). The water in Abraham’s wells was **a symbol of the power of God and His unlimited supply for you as His child!**

The wells of Abraham made him so rich and successful that the Philistines became jealous and looked for ways to steal from him and destroy him. After Abraham passed away, the Philistines filled the wells with dirt so that no water could be drawn. In other words, they plugged up the wells to try to force Abraham’s heir, Isaac, to surrender the land. ***They were trying to keep him from breaking through to his source of life.***

Does that sound familiar to you? According to Jesus, this is how our enemy, Satan, works... *The thief does not come except to steal, and to kill, and to destroy. I [Jesus] have come that [you] may have life, and that [you] may have it more abundantly* (John 10:10). The enemy always tries to take what belongs to you. He wants you to surrender what you have. He wants you to give up hope and stop living by faith. He doesn’t want you to grow, or to do anything that would build up God’s Kingdom.

Think about the things Satan has tried to do to you and your loved ones over the past year... Has he tried to steal from you or a loved one through the loss of a job? Has he tried to kill your dreams or destroy your opportunities for a good future? That’s the way he always works... **He tries to hinder the miracle flow of God’s power into your life** by filling your wells with fear, doubt, sickness, disease, family problems, financial problems and other ungodly things... He wants to keep God’s power from flowing into your life. And in the natural, especially in 2009, it may have seemed like the devil was winning.

But God is faithful... He wants to bless you, but ***He also wants you to hold onto the blessings He gives you!*** He doesn’t want His good things to be stolen from you. So if the devil has tried to stop up your wells with his junk, don’t give up. God has given me a great answer to share with you so you can turn your situation around... God wants to help you to **RE-DIG THE WELLS** that the devil has tried to stop up.

Remember what Genesis 26:18 says: “*Isaac dug AGAIN the wells of water which they had dug in the days of Abraham his father...*” Isaac’s enemies, the Philistines, tried to push him out of the land that God had given him as an inheritance through his father. But Isaac was an heir to God’s promise to Abraham... a promise that his descendants would number more than the stars in the sky and that Canaan was his. Not the Philistines, but his! What belonged to Abraham became Isaac’s through inheritance... and it was God’s will for Isaac to HOLD ON to that inheritance, not to lose it!

I WANT YOU TO CATCH THIS RIGHT NOW... In the face of his enemies, ISAAC DIDN’T QUIT. Even though the enemy filled up his wells with dirt, Isaac didn’t give up. He didn’t decide that God’s promise wasn’t meant for him. He didn’t decide that he was just going to have to do without. No, **Isaac knew what it meant to be a child of promise.** He knew what it meant to have faith in God. When the enemy stopped up the wells, Isaac grabbed his shovel and re-dug the wells, so that water could be drawn again and his source of life and power could flow again.

No matter what your situation looks like right now, I am telling you, DON’T QUIT! I know it’s hard... I read the prayer requests that come in every day, and I know that many people have been

beaten down hard this past year... Many people are tired and thirsty. They need a refreshing drink to restore their strength, but it seems that Satan has stopped up their wells and hindered the miracle flow of God's power into their lives. **BUT IT DOESN'T HAVE TO STAY THAT WAY!**

Are you ready for a breakthrough? Because I have news for you... Together, you and I are going to arise and move forward in faith, just as Joshua did after the death of Moses. We're going to get out our spiritual "shovels" and through the prayer of agreement, we're going to remove all the junk Satan has used to stop up the wells of God's miracle-power in our lives. We'll tap into the anointing of the Holy Spirit and agree for the breakthrough you need... **We'll dig up the lies, fears, doubts, and discouragements that have beaten you down...** ***You and I are going to re-dig the wells*** and open up any supply lines from God that need to be opened up...just like Isaac did.

I believe God gave me this message on Abraham and Isaac to encourage you and me that even though a great General in the Lord, my Dad Oral, has gone home to heaven, **God is still with us. We won't lack any good thing that God has for us.** There is still a great supply of the Spirit for us, just as there was for Isaac. But we need to tap into it!

Here's what the Lord is leading me to do to help you re-dig the wells in your life. On Thursday, January 21, I'm going to conduct a special **MIRACLE-RELEASING RE-DIGGING THE WELLS** prayer service on our television program, *The Place For Miracles*. We're going to agree together until we see a breakthrough for the miracles that you and your loved ones need in 2010.

During our **MIRACLE-RELEASING RE-DIGGING THE WELLS** prayer service, I want to agree with you in faith to take back what the enemy has stolen from you and your loved ones. Let's believe God together for the restoration of homes, families, and finances. God can do whatever needs to be done in your life...just as He restored the wells of Abraham for Isaac.

I'm expecting the following **FIVE** things to come into your life in this new year. **NOW IS THE TIME** for you to have...

- 1** **A NEW VISION.** This means living life with a purpose that brings joy and peace and focus, not a life of hopelessness or depression. **God has a plan for you in 2010**, and now is the time for you to ride that plan right into the victory He has for you (Jeremiah 29:11).
- 2** **OPEN EARS TO HEAR GOD'S VOICE.** This means a fresh ability to receive the Word of the Lord into your spirit...and the knowledge of what to do with it. You need both to be successful in life, and **God wants you to be a great success** (Joshua 1:8-9).
- 3** **RIGHTEOUSNESS FOR YOU TO FLOURISH.** This means allowing your spiritual roots to go deep into God as you develop a relationship with the Holy Spirit, so that you can become *"like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither"* (Psalm 1:3). He wants everything you do to prosper.
- 4** **GROWTH LIKE A CEDAR IN LEBANON.** This means living a long, healthy life as you observe and live by the principles of the Bible. This includes keeping God's commandments, finding wisdom, getting understanding, receiving instruction and developing humility (Psalm 92:12).

(Over)

5 A NEW COMMITMENT TO THE HOUSE OF THE LORD. This means a new commitment to God and His Church, His people and His presence (Psalm 92:13).

These five things that God has for you in 2010 are PRECIOUS things... They are extremely valuable to you and your loved ones... **God wants you and your loved ones to have more** than just a job, a home, and a family. Of course, all those things are good things, and God certainly wants you to have them. As your partner and your brother in the Lord, I want you to enjoy those good things too.

But ***I'm challenging you to get a bigger perspective of who you are in Christ and what God has planned for you***... Because I'm telling you, God has EVEN MORE for you than you can imagine... He wants you to enjoy a life lived close to Him. He wants to speak with you. He wants you to succeed beyond what the world can offer you. He wants you to shine brightly for His Kingdom in every way... representing Jesus and drawing people to God.

This is far above and beyond what many people will ever imagine themselves accomplishing, but it's exactly the kind of overcoming, transforming life God desires for you to live. **NOW IS THE TIME for that kind of life!** Re-digging the wells that have been filled with the enemy's dirt and junk and hindrances is JUST THE FIRST STEP in the miraculous life God has for you in 2010.

I've never been more serious in my life about what God has shown me He's going to do this year. I want to hear from you very quickly, because I need to know that you are making a faith declaration with me for all that God has for us as we move into 2010. **I need to know that you have committed yourself** to get out your "spiritual shovel" with me for our MIRACLE-RELEASING RE-DIGGING THE WELLS prayer service on January 21. And I want to know what needs to be restored and changed in your own life so that you can receive the kind of refreshing that comes from the flow of God's power.

So be sure to fill out your Re-Digging the Wells prayer sheet with your prayer needs. And as you do that, I WANT YOU TO DO ONE MORE THING...the same thing that Isaac did when he re-dug his father's wells... and that is to *sow a New Year seed of your faith toward your need.*

Genesis 26:24-25 says that when Isaac re-dug the wells in his land, He also built an altar and sacrificed and worshipped the Lord. **HE SOWED A MIGHTY SEED UNTO GOD**, and the Bible says that **over the NEXT 80 YEARS of his life, Isaac was greatly blessed by God.** You mean so much to me, and because you do, it is my sincere prayer that God will greatly bless you too! So I encourage you to start out 2010 by sowing a mighty seed in faith... Step out in faith that now is the time for you and your loved ones to have a deeper experience with God.

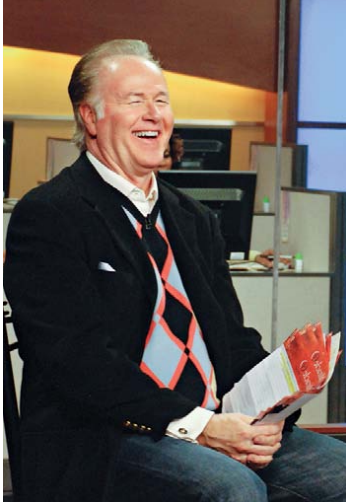

And when you sow your seed, I want you to EXPECT GOD TO MOVE on your behalf and give you the breakthrough you need as a result of our MIRACLE-RELEASING RE-DIGGING THE WELLS prayer service on Thursday, January 21, on *The Place for Miracles*. I'm looking forward to hearing from you soon!

Your partner for miracles,

Richard Roberts

A Word from Richard Roberts
